Everyone that

best at making  
me happy.

HAHA

HAHA

WHY??

CAN'T YOU

IF WE

SAME CLASS,  
I WOULD  
STUDIOUSLY  
ATTEND EVERY  
CLASS...

WELL, SPECIAL GRAD

# INTERVIEW

## Author's Notes 1.

*Reijumashite...  
Kono everyone! I'm  
Ryou Seiji. A big  
thanks to all the read-  
ers that took the time  
to read my first manga  
takahara...*

*Unga... I never thought  
it'd get published so  
fast, so I'm kind of  
nervous actually. (sigh)  
but I'm also really  
happy!*

*When I buy manga  
myself, if it had any-  
thing interesting, I  
would be really happy  
And so I hope that  
when I write my own  
manga, I'll be able to  
come up with good stuff  
to put there!*

*And so,  
please enjoy!* ♥

IN OTHER  
WORDS,

THE THING  
THAT INTERESTS  
HER IS

THE PART OF HER  
THAT "DREAMS".

ACTUALLY IMPORTANTLY  
RIGHT NOW IS  
STAYING...

WELL, IT'S  
NOT LIKE MY  
GOAL IS TO  
BECOME AN  
ARTIST

**Abstract:** The authors discuss the importance of the relationship between the teacher and the student in the classroom. They argue that the teacher should be a facilitator of learning, rather than a transmitter of knowledge. They also discuss the importance of the student's role in the learning process, and the need for the student to be an active participant in the classroom. The authors conclude by discussing the importance of the teacher's role in the classroom, and the need for the teacher to be a facilitator of learning.
